

*As Fear Free Certified professionals, we want to make your pet's veterinary visit as enjoyable and as stress free as possible. As such, it's important for us to understand what your pet might find upsetting. The information will help us to adjust our care to better serve and comfort your pet. Please answer the following questions to the best of your ability so we can take into consideration both you and your pet's preferences.*

**How would you describe your pet's reaction to going to the veterinary hospital?**

- Eager and excited     Subdued     Reluctant     Somewhere in between

**Are there things you or your pet did not like during past veterinary visits?**

- Being weighed     Getting on the exam table     Having a procedure done  
 Being handled by veterinary staff     Walking through the clinic

**How would you describe your pet around other animals and people, such as in the lobby area of the hospital?**

**Does your pet prefer:**

- Female veterinary professionals     Male veterinary professionals     It doesn't matter

**What are your pet's favorite treats?**

**Does your pet like to play with toys? If so, what kinds?**

**Has your pet ever been prescribed any medications to help with a visit to the veterinary hospital? If so, what medications were they and what sort of results did you experience?**

**How and where does your pet travel in the car?**

- Carrier/crate     Seatbelt     Loose

**Does your pet show any reluctance to getting in the carrier or car?**

- Yes     No

**How does your pet behave in the car?**

- Vocal     Barking     Whining     Restless     Pacing     Drooling     Trembling     Hiding

**Any nausea, drooling or vomiting with car travel?**

- Yes     No
